

- T18Pro Main Unit x1
- Black/Red Heavy Duty Clamps x 1
- USB A-C Charging cable x 1 (Length: 1 meter)
- USB C-C Charging cable x 1 (Length: 1 meter)
- Carry Case x1
- User Manual x1

## Key Feature:

- 2.3" Digital smart screen displays colorful instructional icons and charge level
- QC3.0 18W quick charge feature enables fast charging
- Supports charging drones, cameras, phones, tablets, and more
- Spark-proof connection design with reverse polarity protection
- Heavy duty case is included

## Technical Specifications:

Peak Current:	1500A
Capacity:	16000mAh
Battery Type:	12 Volt Lithium-ion Battery
Applicable Vehicle:	Up to 7.0L petrol & 4.5L diesel
Start Times:	30 Times
INPUT:	USB-C: 5V/2A 9V/2A
OUTPUT 1:	USB-C: 5V/3A 9V/2A 12V/1.5A
OUTPUT 2:	USB-A: 5V/2.4A
Screen:	2.3"LED, Display battery level, charging/recharging status and warning icons
Light:	3 Modes - Flashlight/Strobe/SOS
Product Dimension:	Length: 225mm (8.86inch) Width: 100mm (3.94inch) Depth: 50mm (1.97inch)
Weight:	1.21Kg (2.67lbs)
Storage TEMP:	-4°F- 158°F(-20°C - 70°C)
Discharge TEMP:	14°F - 122°F(-10°C - 50°C)
Charge TEMP:	32°F - 113°F(0°C - 45°C)
