## GT Xtreme

**SUPER  
CHEAP  
AUTO**

The GT Sport Xtreme is a B/E seat that is suitable for children between approx. 6m to 8y of age. It is first used as a harnessed car seat with an in-built harness. Once the child's shoulder meets the middle shoulder height marker, it is then converted into a Booster Seat used with the vehicle's lap & sash seatbelt. The headrest is easily adjustable which enables the seat to grow with your child.

### Features

- Forward Facing with in-built six-point harness from 6-months to 4-years-old
- Forward Facing with adult lap & sash seatbelt from 4 to 8-years-old
- Air Cocoon Technology™ (A.C.T.) integrated
- Comfort Fabric
- Comfort Infant Insert, Shoulder Pads, Head Pillow & Crotch Buckle Pad included
- Adjustable, locking headrest
- Easy install belt path
- Foldable- for quick & easy storage and transport
- In-built Anti-Submarine Design

### Dimensions

- Width (Base) – 44cm
- Height (Headrest Down) – 76cm
- Height (Headrest Up) – 86cm
- Depth (Seat Base) – 40cm

### Approximate Shoulder Height Marker Locations

- Lower Marker (Start Use) – 29cm
- Middle Marker (Convert to Booster) – 42cm
- Upper Marker (Stop Use) – 57cm
