P3018

**LIFETIME  
GUARANTEE**

### Contents:

- > Combination spanners:  
6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 21, 22, 24mm
- > Single way gear spanners:  
8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19mm

### Combination & single way gear spanners:

- > Spanners with thick walls & long handles for increased leverage
- > Thinner head for hard to reach fasteners
- > Full mirror polish finish for corrosion protection
- > Exceeds Australian & International standards for strength & durability
- > Manufactured from Chrome Vanadium Steel (Cr-V)

### Single way gear spanners:

- > 0° offset allows for better access
- > Single way mechanism requires turning over of spanner to change direction
- > Thinner wall around gear mechanism for better access in tight spaces
